

'Get Outdoors' GO! Program Landmark's Stupendous Second Graders!!!

Look at what we learned during the 2008-2009 school year!

Field trips to Watsonville and Struve Sloughs

- 👉 Binocular use
- 👉 Bird identification
- 👉 Bird tally sheets

Composting

- 👉 Healthier plants and soil
- 👉 Less volume going to landfills
- 👉 Less fertilizer & erosion
- 👉 Improved water quality

Gardening

- 👉 Compost for school garden plot
- 👉 Peas & sunflowers
- 👉 Compost rich vs. poor soil
- 👉 Plants transferred to garden plot
